**C.C. Bolick : Secrets Return (Leftover Girl Book 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Secrets Return (Leftover Girl Book 2):

1 of 1 people found the following review helpful. Well written and a great read By Tommy I have read both of her books. I can't wait for the third in the series to be available. She does an excellent job of character development and story telling. I don't want to give away any secrets that are in the book, other than to say it is a must read. I will say that I just finished reading it and as soon as I finish the review I am reading it again. A short note to the author..Please hurry with Book 3.2 of 2 people found the following review helpful. WOW! By George Haynes This second book put a whole new spin on the first one. I could not put it down. Excellent - from a South Alabama boy ( man for along time - and fellow engineer). When will book three be out ? 0 of 0 people found the following review helpful. Great By DiMcKI truly enjoyed this book and nook one.. They hold your interest to the very end.. I recommend this book to all fantasy readers looking for clean story lines

Jes Delaney's story from Leftover Girl continues after months of fighting to recover her memory. She's no closer to learning the truth about what happened the night she ran away, or to finding Chase. When someone discovers the articles from New York, lies begin to pile up as Jes must keep everyone in the dark or risk disappearing again. She finds an odd ally in Pade, who came home distant and broken. Something happened in Colorado to change him, but Jes holds back because he'll never understand her secrets. She still dreams about the gunshot, but now her hands are soaked in blood. Jes wonders why Chase hasn't returned and if her parents will ever forgive her for hiding that she wasn't born on Earth. Book #2 of 5 in the Leftover Girl Series Books in this series: Leftover Girl Secrets Return Prison of Lies Illusion of Truth Fate of War (Releases 10/31/17)

"...strikes the perfect balance of action, description, dialogue, and introspection. A suspenseful tale that stands out in a crowded genre." ~nbsp;Kirkus snbsp; nbsp;
